

November 15, 2011, Aggressive Launches Annual Production Driver

Aggressive is pleased to introduce its annual production incentive program just in time to help with Holiday expenses. The promotion runs from November 15, 2011 to December 15, 2011. Once an agent has sold 10 policies, Aggressive will pay the agent \$10.00 for each additional six month policy sold afterward during the period. Aggressive makes it easy because the agent does not have to keep track of the policies sold. Aggressive will promptly issue a check beginning on December 16, 2011, just in time for holiday shopping.
